

CODE OF CONDUCT FOR INTERSCHOOL SPORT

Requirements of Coaches

1. To conduct training and match play in a positive manner ensuring that maximum participation and skill development are the focus, rather than the score at the end of the game. During this time coaches model excellent behaviour ensuring sportsmanship and fair play are demonstrated at all times, and convey this expectation to their team.
2. Arrange a minimum of four training sessions. This means that we have given students an understanding of the game and made sure they have a genuine interest.
3. Run training sessions before school, after school or during lunchtimes. Do not withdraw students from class to organise notes/training etc. Any training done before or after school requires a consent form. A copy can be obtained from the Sports Co-ordinators.
4. Ask Sports Co-ordinators for training drills if necessary. Arrange with the co-ordinator to have appropriate equipment at training.
5. Select a team from students who have demonstrated a commitment to training.
6. The coach must hand the permission notes out two weeks prior to competition day. Students are required to return the note and money to the coach or appropriate person.
7. Follow up on outstanding notes and money.
8. Give Sports Co-ordinator a full team list including names of students, as well as their permission notes at least one week prior to competition. This gives co-ordinator time to notify the District if the team is not going ahead, without effecting draws and bus rosters. The District policy now states that if we withdraw a team at short notice, we will be required to pay for participation and bus costs. It also means that notes are not being followed up at the last minute.
9. Attend on the day of competition. All equipment required for the day, including first aid kit will be organised by the sport co-ordinator. A copy of the draw/competition rules and bus roster will be given to coach prior to competition day. Take permission notes with emergency contact details on the day.
10. Collect and return Sports Uniforms in liaison with the Sports Co-ordinator.
11. Ensure celebration of participation in all interschool sporting events is published throughout the Learning Community.
