Dear Parent / Guardian,

My Name is Mr Rob Oakley and I am the Secondary Performing Arts Coordinator. I am very pleased to announce two new Pre FUSION programs available to current Grade 6 students. The Pre FUSION programs are available for any Grade 6 student wanting to learn to play an instrument, or participate in dance classes. Both programs are FREE and are only available for students planning on joining the FUSION Music or FUSION dance drama programs in 2019.

The Secondary FUSION programs include two very successful Performing Arts streams available for Year 7, 8 and 9 students. These include FUSION Music and FUSION Dance Drama. The Program is now in its 3rd year and the students have performed to many high profile audience members such as Judith Graley MP, Tim Pallas MP (Treasure of Victoria) and James Merlino MP (Minister of Education). The benefits of the FUSION program also features on the Department of Education website found here: http://bit.ly/P12equity.

The Pre FUSION Dance Drama program will involve weekly dance classes including hip-hop and contemporary styles. The Pre FUSION Music program will include small group instrumental music lessons on either voice, drums, guitar, bass guitar, and keyboard. Students will also participate in a Modern Band ensemble program. Both streams will have access to many live performance opportunities including assemblies, concerts and events. Both programs will run for 45 min sessions and will be on a rotating timetable so students don't miss out on subjects regularly.

If you would like your child to enter either of the Pre FUSION programs please complete the application form below. Do not sign up if your child is planning on entering the STEM or SPORT year 7 streams in 2019.
