

Please find below the Assessment Schedule for the Year level selected. Despite the great care and time that has gone into creating this please be aware that some changes to the Learning Tasks may be unavoidable due to unforeseen circumstances such as changes to the curriculum or clashes with school events. This schedule is designed to give students an opportunity to plan ahead and be aware of their 'busier than normal' periods each term. Please also note that student workbooks are checked periodically throughout the year in every subject and are reported on. In a few elective subjects workbooks may be replaced with classwork.
