

Welcome to the FUSION Performing Arts Program – Specialist Dance/Drama and Music program for Year 7, 8 & 9 students. A program that inspires, excels and enriches students' lives in countless ways.

The FUSION Performing Arts Program at Narre Warren South P-12 College is separated into 2 streams; Dance/Drama and Music. Students have the ability to choose which stream they would like to focus on. Each stream consists of a home group which runs on a slightly altered timetable allowing students to develop their artistic talents while concurrently receiving their secondary education.

We believe the Performing Arts not only promotes higher academic performance but is an intrinsically enriching and a rewarding experience.

It has been well documented that learning Performing Arts at school is beneficial for students. From higher academic scores, co-ordination, perseverance, team work, reading, comprehension, concentration, self-expression and enhanced social skills.

The FUSION program aims to provide students with the opportunity to develop their Performing Arts talents and provide innovative and contemporary music education integrated in their academic studies.
