

ACADEMIC SPORT LEADERSHIP

Welcome to the Pathways Through Sport (PTS) Program – a specialist sport program for capable athletes from all sporting interests commencing Year 7 in 2018. This program will develop the athlete in a holistic way: academically, athletically and by developing leadership ability.

The Pathways Through Sport program at Narre Warren South P-12 is focused on developing students' academic success through their sporting interests and achievements. It will run with one home group that follow their own timetable and offers an integrated sport themed curriculum. The program also contains a competitive physical activity environment to develop student athletic ability during physical education classes, as well as exposing students to a variety of educational and practical experiences to shape their future sporting pathways and potential through the PTS program specific subject.

The cost for this program is \$400 which will cover excursions, training sessions and access to sport science facilities.
