

10th November 2023

Dear Parent/Guardian,

Narre Warren South P-12 College is looking forward to another great year of teaching and learning and would like to advise you of Narre Warren South P-12 College's Voluntary Financial Contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our college can offer the best possible education and support for our students.

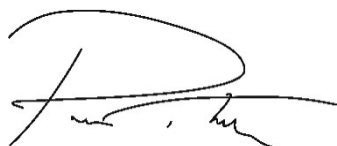

We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Overtime our college voluntary contributions have supported the best possible programs outside of the traditional teaching and learning classroom structure. They have assisted in the extension of our Wellbeing Centre, magnificent indoor and outdoor learning environments, hands on learning classes, and the college's inclusive multi-cultural programs. These exemplary programs, together with our exceptional classroom teaching across core subjects such as Reading, Writing, Math, Science and The Arts has contributed to Narre P-12's ongoing success.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

In closing, we hope you may choose to support the college once again in 2024.

Yours sincerely,

Peter Thatcher
College Principal
Narre Warren South P-12 College
