Message from the School:

At Narre Warren South P-12 College we want students to become 21-century learners and acknowledge that digital technologies not only support interaction and engagement with student learning but prepare students for work and life beyond school. Our learning domains use Compass and the Google Suite for Education, which includes Google Classroom, to support student learning within the Victorian Curriculum.

If you require your device before the set shipping dates, please contact the IT team to arrange.

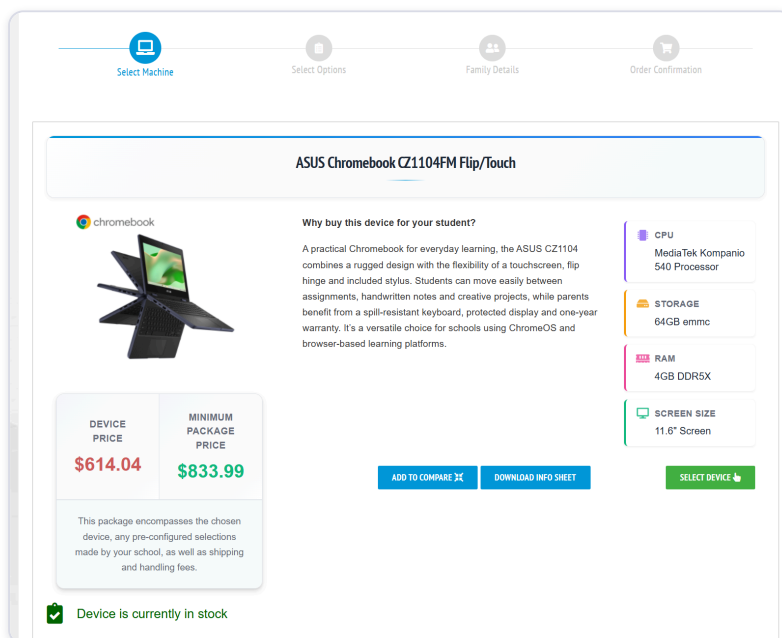

**Order must be completed in full before logging into another portal.
Only One order can be completed per session.**

3

Select your device

Check the device is the **ASUS Chromebook CZ1104FM Flip/Touch**, then click **SELECT DEVICE** and **PROCEED TO OPTIONS**.

On the next screen, check the options included in your package and continue.

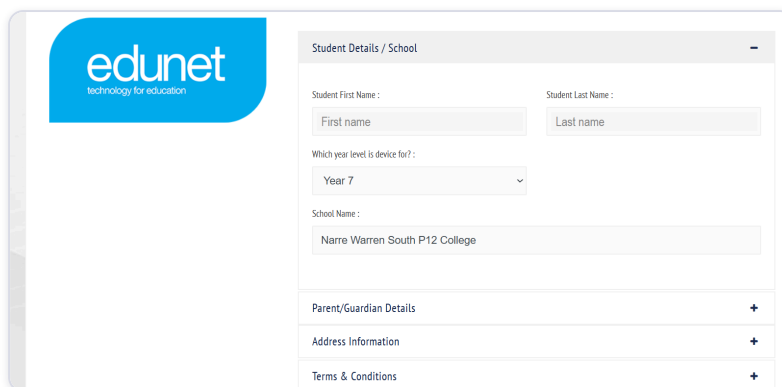

Enter your details, check your order and pay

The final steps of your order

4
