- [ ] You have kept your receipt and warranty details
- [ ] You have set a reminder to install updates

LOOKING AFTER YOUR DEVICE

Keep it updated

Install updates as soon as your device asks. They fix security problems and keep your child's device and school account protected.

Back up your work

Save schoolwork to Google Drive so nothing is lost if your device needs repairs.

Know your cover

Repairs and warranty are handled by your retailer or the manufacturer, so check what is included before you buy.

IMPORTANT DATES

Week of 14 Dec

Bring your device to the IT office during the school day to be connected to the school network and your child's school account, and beat the Term 1 rush.

Term 1, 2027

Your child needs their device at school each day, charged and in a protective case.

Changed your mind?

You can still choose a School-Supported device. Order on the Edunet portal by 27 Nov for pre-Christmas delivery, or by 5 Jan for delivery before Term 1. Need a payment plan? Opt in on Compass or email finance@nwsc.vic.edu.au.

The school cannot provide repairs or software support for Family-Supported devices. Minimum specifications may be updated each year.
