Accessories and Additional Items
All visible items must be navy or white only. This includes:

Non-uniform items are not permitted, including:

- Hoodies

- Non-school jackets or jumpers

These items do not form part of the College uniform and will be addressed during the school day if worn.

Layering in Colder Weather
During colder months, students may layer appropriately by wearing:

- White, or navy crew-neck jumpers, or
- White, or navy long-sleeve tops

All layering items must be worn **underneath** the school uniform, with the school top remaining the outermost visible layer at all times.

Support and Uniform Loans

If a student is unable to correct their uniform on the spot, they will be supported by the school and provided with a loan uniform item from the Sub School office for the remainder of the day. This ensures students can remain in class and continue learning while uniform concerns are addressed.

Families who require support with accessing uniform items are encouraged to contact their relevant Year Level Co-Ordinator's and or Assistant Principal. Assistance is available, and we are committed to working with families to support students.
