All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Clearance. Additional suitability checks may also be required such as reference, proof of identity, qualification and work history involving children checks.

In some circumstances, visitors to Narre Warren South P-12 College who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the circumstances of their visit. For example, Narre Warren South P-12 College will require a valid WWC Clearance for:

    - the values of openness and tolerance
    - respect for the range of views held by students and their families.

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick-ups and drop-offs or for specific school events (e.g., parent teacher interviews, concerts, assemblies etc.), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the principal are not permitted to visit the school. Our school has the following procedures in place for parents / carers restricted from entering the school grounds –

- A list of visitors who are restricted from entering the school grounds will be identified on a folder on Compass which will be accessible to all staff. If there is a photograph available, this also will be placed in the folder to allow for visual recognition.
- If restricted visitors need to access the school grounds, they will need to ring the main office and they will negotiate the appropriate action with the leadership team. This does not mean that restricted visitors will gain entry, it just means that we will work within our Child Safe Policy and legal capabilities.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school or facilities office upon arrival for instruction and follow the sign in procedure outlined above.

Communication

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Included in induction processes for relevant staff
- Included in our staff handbook/manual
- Discussed in an annual staff briefing/meeting
- Made available in hard copy from school administration upon request
